

Program Information

Customer Rewards Program (CRP)

Earn more when you spend more to help you fund that next project.

Program Description

Gain up to 5% back on qualifying purchases, with no cap on earnings and no expiration. Select customers enrolled in the American Cyber Customer Rewards Program (CRP) can earn more when they spend more and redeem rewards for products and services from American Cyber and select third party vendors.

Rewards that unlock maximum value.
No cap. No expiration. Unlimited earnings.

| Qualifying Spend (\$) | Rewards (%) | Rewards (\$) |
|-----------------------|-------------|--------------|
| \$250,000 | 1% | \$2,500 |
| \$500,000 | 3% | \$15,000 |
| \$1,000,000 | 5% | \$50,000 |

Why did we start this program?

American Cyber developed this program to give back in a meaningful way to our customers. We believe in fostering great partnerships and creating winning scenarios with our customers so that they can do what they do best and succeed.

Our mission is to support your mission. We believe in you and want you to succeed.

How does it work?

Track Spend

- American Cyber automatically tracks your spend.

Report Rewards

- You receive reports of your current spend and available rewards.

Apply Funds

- You submit an online claim to redeem rewards for future purchases.

Key Benefits**Unlock Additional Savings and Value**

Customers that choose American Cyber gain access to the following key benefits:

Customer Rewards Program (CRP)

Select customers can enroll in the CRP and earn up to 5% back on their total spend, with no cap on earnings and no expiration, providing unlimited rewards and greater return on investment.

Customer Incentive Fund (CIF)

Eligible customers can unlock access to our CIF program and benefit from an additional 1% of their spend applied to customer appreciation events, team-building activities, and corporate celebrations. American Cyber gives back in meaningful ways to enhance our partnership.

Exclusive Vendor Pricing

Access to non-standard pricing and custom price lists that maximizes value.

Complimentary Products & Services

Enjoy added perks such as extended warranties and access to professional services at no additional cost through select vendor partnerships.

After-Hours Customer Support

Access to customer support outside of regular business hours subject to availability.

Same-Day Quotes

Receive fast, accurate quotes same day to keep your projects on schedule.

Funded Product Evaluations

Access to funded product evaluations to help you select the best solution that meets your business and technical requirements.

A FRICTIONLESS SECURITY JOURNEY

Access a top ranked team of security professionals that deliver a frictionless security journey to support your business so that you can focus on what you do best.

Benefit from our unique approach that we call **Security Program Orchestration (SPO)** that is producing returns of up to 10x for every dollar invested in your security program.

American Cyber is on a mission to **build resilient and compliant cybersecurity programs** for small businesses.
